Mrs. Hess

A wise father does not go about bragging on his family, neither should a superintendent boast about his school; but I am taking this opportunity to say to you students of Cassville Righ School the thing so many visitors have said to me.

"You are one of the most courteous, attentive, and understanding groups I have ever seen."

Have you ever considered how well we have worked together the past twelve years 20 Several of you started into the Cassville schools with me twelve years ago. I shall always be interested in your future -- not any more in proportion than in those I have been with only one year; but because I have been O the head of your training department throughout the grades and high school, I naturally will blame myself should you stray from the course which is generally agreed upon to be the right one to pursue.

My best wishes are with you always.

Most sincerely,

M.M. Hess

Our Service Flag of which we are extremely proud has one hundred forty nine stars. We feel blessed indeed that only two of that number are gold stars. Two of our C.H.S. graduates have had to pay the supreme sacrifice.

On October 15, 1944 H. S. Brixey lost his life in China. He was serving with the Air Corps and was flying a transport filled with supplies to our troops in India. H. S. graduated with the 1936 class.

Less than a month later, November 6, 1944 Glen Saunders, who graduated with the class of 1940, lost his life in the Philippines. He was serving with the Infantry on Leyte.

As the annual was going to press news came that Johnnie Graves, another of our C. H. S. graduates, was killed in France.

#### JUNIOR ACTIVITIES

The Junior Class this year consisted of 82 students. President of this group was Bob Russell. Hollis Baker was vice-president and Margarette Smith was secretary-treasurer. Miss Cox and Mr. Wilson were class sponsors.

One of the important events in our school year was the annual school carnival held in October. This year the Junior Class was victorious. Letha Ruddick was crowned queen of the carnival by the class president, Bob Russell. Attendants were: Zelma Foster and Tom Nicoll, freshmen; Norma Ball and Don Edie, sophomores; and Mary Lou Yarnell and Bob Hemphill, seniors. Ronnie Sleith was crown-bearer, while Judy Horine, Jane Brown, Rebecca Wiley and Sharlotte Stever were flower girls.

The Junior Class earned more than \$160 during the carnival contest.

This amount was raised in various ways, among them, a pie supper, an amateur show, a rummage sale, and a bake sale.

The Junior play was given in March. It was a three act comedy entitled "Don't Take My Penny." Characters were:

That soft sweet melody or deep rich harmony that sweeps across the nation a few years from now may be the composition of one of your schoolmates, for the members of the Fundamentals of Music class ---Glendale Nicoll, Charles Chumbley, Paula Jean Kost, Trolinger Wilson, Bill Lecompte, Rosalie Gibbons, and Anne Peterson--- are learning how to compose their own melodies and how to harmonize those melodies.
