

Greetings from author **Izzy B**,

I'm excited to visit your student's school! I'm children's book author and illustrator Izzy B. I also have a YouTube TV show called Stories4Space (scan QR code below for more)! It's a fun show where we read and draw together. During my presentation, we will talk about how accomplishing big things takes hard work and determination. Attached to this letter is an order form to get an **autographed HARDBACK copies of my books!** I have an overstock of A Tightly-Whitie Wind, so it has a **new reduced price**. Make sure to have this order form turned in before my visit, so I can sign your book when I arrive. Use the QR code below to check out my YouTube show, sign up for my email list, and find me on social media! When I Caught You is a **BRAND NEW** release that just came out. This book is super special since it's about a father and son fishing trip. It's in honor of my father who always took me fishing to **Roaring River State Park!** You're gonna love it!

I'm looking forward to a wonderful author visit!

Your friend,

Izzy B
